27.6 This speed cannot be guaranteed over WiFi due to WiFi restrictions and dilution of the speed between the connected devices. We are not responsible for your devices' capability to use or access our WiFi service.

27.7 You have no proprietary or ownership rights to any username or password assigned to you. You will also not have any rights over a specific IP address associated with your connection whilst using our network. We reserve the right to terminate your access to our network without prior notice to

27.8 The complimentary connection we provide is accessible only over our WiFi. We do not provide any network ports unless you subscribe to one of our standard packages. We also do not provide phone line during the trial period.

27.9 We retain the right to change these terms at any time. For some changes, such as when we're working to meet the timelines of new legal and regulatory requirements, we may not be able to give you notice.
