“

OUR BUSINESS NOW OFFERS A MORE COMPELLING ULTRA-HIGH-SPEED SERVICE WHICH IS ESSENTIAL TO OUR TENANTS

By upgrading your internet, you can:

- 🕒 **Increase property appeal:**
Fast, reliable internet is a top priority for student renters, potentially allowing you to command higher rents.
- 🕒 **Improve tenant satisfaction:**
Reduce complaints and increase lease renewals by providing a crucial amenity.
- 🕒 **Support academic success:**
Enable your tenants to participate fully in online learning and research activities.
- 🕒 **Simplify property management:**
Centralised broadband solutions can streamline billing and reduce individual installation hassles.

“

“Grain has installed their services at a large number of our properties without any fuss whatsoever. Schedules were clearly laid out in advance and installs were carried out to our specification. I’ve had a dedicated point of contact throughout the whole process.”

“I’m pleased to report that everything is now in place, the billing is very simple, and I trust I’m in good hands!”

Landlord testimonial, Hull

Whether a social landlord, housing association, student landlord, or multi-property investor – we can cater to your fibre broadband needs.
